I have included some resource links on pg 3 if you need additional help.

Cast on 8 sts

Row 1: k3, y/o, p2tog, k3

Repeat Row 1 for 21"/53/3cm or desired length.

Bind off.

You may notice that the pattern picture shows a simple single crochet edging. Adding the edging is an optional finish. You will also have a nice knit edge without it. Please feel free to add the edging of choice if you desire.

Block if necessary.

### **To Block**

Always check the yarn's washing, drying, and ironing instructions before blocking.

Dampen your knitted project and lay flat on blocking board or surface. Smooth to desired size and shape, and pin with rustproof pins. Let dry undisturbed overnight or until dry.
